

2019 STKI's Israeli Market Overview

Players & Products Positioning

Customer Experience Technologies
BI, Analytics & Data Science
Digital Technologies
ERP & HR Platforms

Methodology of Israeli Product Positioning

This is not a technological or functional positioning and should not be used as a recommendation. **This positioning is intended to reflect the degree in which the product is present and supported in Israel.**

Focused on the enterprise sector (not SMB)

▲ **X axis (Market Presence):**

Installed base; New sales; Mindshare

▲ **Y axis (Local Support):**

Number and quality of Sis; localization; local R&D

Vendors to watch: New players that only recently entered the market and therefore cannot be evaluated against longtime players

“Global leaders” (according to international analyst firms) are marked
